

Safety Training Manager

ehsInc – Irvine, CA

Employment Type

Full-Time

Summary:

ehs International, Inc (ehsInc) has been at the forefront of environmental and occupational health and safety since 2010. Our mission is to provide our customers and employees with a safe, sustainable, and productive environment. The Training Manager will be responsible for leading and delivering training content to support operations and safety.

Primary Responsibilities:

- Developing actions and training means enhancing the implementation of safety goals and concepts.
- Deploy a wide variety of training methods to conduct effective safety sessions.
- Maintain a keen understanding of safety trends, developments, and best practices to incorporate into training processes.
- Develop, implement, manage, and maintain comprehensive environmental safety & health programs.
- Conduct safety meetings, audits, and inspections to ensure compliance.
- Monitor governmental regulation changes and prepare reports to communicate with stakeholders, clients, and subcontractors.
- Train, supervise, and evaluate the work performance of colleagues.
- Manage safety professionals.

Knowledge and Skill Requirements:

- Bachelor's Degree or equivalent work experience.
- Minimum five (5) years of full-time experience developing, implementing, administering, and evaluating comprehensive safety training.
- Experience in managing staff, resources, and projects.
- Highly desired Certified Safety Professional (CSP) or Construction Health & Safety Technician (CHST).
- Completion of OSHA 500.
- Knowledge and application of Cal/OSHA standards.
- Valid California Driver's License and insurance.

ehsInc is an Equal Opportunity Employer.
